Building Links with Parents

The article *Building Links with Parents* was written by Jenny Townsend, Director of Townsend Consultancy Ltd for Secondary Headship magazine. Secondary Headship magazine aims to share best practice and focuses on school improvement. This article, published March 2006, outlines some new approaches which have resulted in successful parental engagement, for schools, including reaching “hard to reach” parents

“For hard to reach parents, often adults who had a bad experience of school themselves, there is a lot of work to be done before they will feel confident, inspired and motivated to begin to become involved in their children's learning”.

“Engaging parents in their children's learning is essential to raising standards. Every parent matters”
