Information Advice and Guidance (IAG) for FE Colleges

Here are some examples of typical content for training sessions for Further Education colleges:

Review of Information, Advice, Guidance (IAG) for the FE college

Aims and Objectives for the session

Review of current practice

Analysis of strengths and weaknesses for the organisation

Analysis of opportunities and threats for the organisation

The Implications of IAG in terms of:

- The Common Inspection Framework
- Funding implications
- National Quality Standards including the Matrix Standard
- Providing better services for both the learners and the community
- Learner responsiveness
- Listening skills for participants
- Referral routes for learners
- IAG for adults and young people
- Future directions
- Next Steps
- Improving the service

Delivering High Quality Services for Education
