### **The Leading Parent Partnership Award (Prospects)**

Townsend Consultancy Ltd provides advisory support to schools who have signed up to achieve the leading Parent Partnership Award. (LPPA). The Leading Parent Partnership Award is specifically intended for schools who are committed to investing in parents for the achievement of children. The LPPA is a quality standard developed by Prospects, one of the UK's leading providers of education support services.

DCSF recognised and externally validated, the LPPA is designed to help strengthen and enhance the relationship between parents, children and their schools (both primary and secondary).

The LPPA is a quality mark which provides a challenging framework to enable schools to strengthen their partnership with parents and carers. It is a developmental process which, through the involvement of parents, aims to enhance children's life chances at all stages from nursery to secondary.

#### Benefits of the LPPA

A developmental process for schools, the LPPA offers the following key long term benefits:

- Improved pupil attendance, punctuality, behaviour and progress
- Increased parental participation and involvement
- Enhanced parental support for children's learning
- Qualitative and quantitative evidence of improvement and success
- Improved home school communications

The LPPA also provides valuable additional evidence for Ofsted of the quality of the school's partnership with parents.
